HeidelbergCement Finance Luxembourg S.A.

MANAGEMENT REPORT OF THE BOARD OF DIRECTORS

The Board of Directors of HeidelbergCement Finance Luxembourg S.A. (hereinafter "the Company") submits the management report and the annual accounts of the Company for the year ended 31 December 2022.

Principal Activities and Business Review

The principal activities of the Company consist of financing group entities within the HeidelbergCement Group. These activities were continued in 2022.

In April 2012 the Company was incorporated as an additional issuer under the HeidelbergCement € 10bn Euro Medium Term Note ("EMTN") Programme. Notes issued under the Programme are listed on the Luxembourg Stock Exchange and are traded on the Regulated Market "Bourse de Luxembourg" of the Luxembourg Stock Exchange. In April 2022 this Programme was updated with the latest financial report of the Company.

On 6 April 2022, the Company's currency-hedged short-term loan of 297 million USD granted to Lehigh Hanson, Inc., USA was repaid including interest accrued. This resulted in an increase in the Company's cash pool balance by 254 million EUR.

In April 2022, with an Amendment to the long term credit facility agreement between Českomoravský cement a.s. and the Company for 3,300 million CZK signed on 8 July 2014, the term of the facility was extended by 6 years until 10 July 2028. The loan of 1,300 million CZK drawn under this facility at the beginning of 2022 remained unchanged until the end of the year. The CZK loan and interest receivable positions were fully hedged against currency risks against EUR with fx swaps and fx forward contracts with HeidelbergCement AG.

On 11 May 2022, the Company exercised the option for early repayment as outlined in the terms of the 750 million EUR bond 0.5% Fixed Rate Bond issued in 2018 and set to mature on 09 August 2022 (ISIN: XS1863994981). In order to finance the early redemption of the bond, the Company took out a short-term money market loan from HeidelbergCement Holding S.à r.l. , Luxembourg in an amount of 425 million EUR.

On 09 August 2022, the Company extended the outstanding 869 million USD loan to Lehigh Hanson, Inc., USA, until 09 August 2024 and renewed the corresponding Cross Currency Swap (CCS) 869 million USD with HeidelbergCement AG for an additional two years. Based on the exchange rates at that time and taking into account future obligations, the Company required an additional funding of 120 million EUR from HeidelbergCement Holding S.à r.l. , Luxembourg.

HeidelbergCement Finance Luxembourg S.A.

On 13 December 2022, the Company paid a cash Interim Dividend from the funds available for distribution as of 30 November 2022 to its sole shareholder, HeidelbergCement Holding S.à r.l., in an amount of 50.0 million EUR.

On 20 December 2022, the Company received the full repayment of its short-term loan obligations from HeidelbergCement UK Holding Limited, which consisted of suspended interest totaling 213.8 million EUR.

Subsequently, at the end of 2022, the Company's deposit in the cash pool account with HeidelbergCement AG totaled 228.0 million EUR.

Results

During the year ended 31 December 2022 the Company recorded a profit of 52.0 million EUR. Revenues of the Company consist almost exclusively of financial income.

Financial risks and liquidity

The Company is a wholly owned subsidiary of HeidelbergCement AG. The structure and organisation of the Company are such that risks to the Company are limited. Proceeds of all bonds and notes issued and loans taken up are usually loaned to group companies in the same amount, currency and interest periods. Currency risks on assets denominated in currencies other than EUR are fully hedged inclusive the interest earned on these loans.

The Company's liquidity is generated by the cash flows from a fixed margin on the loans granted. The cash inflows coincide with cash outflows because the maturity dates and currencies of the loans outstanding and the bonds and notes issued, loans taken up and fx forward contracts and currency swaps entered into are correspondent to each other, as are the due dates of the interest coupons receivable and payable. The Company is therefore not exposed to a liquidity risk and no immediate financing needs exist.

The lending business of the Company is entirely dedicated to financing group companies. According to internal HeidelbergCement Group guidelines each company is bound for maintaining adequate liquidity to cover financial obligations in full as they fall due and all borrowers have access to the group's centralized treasury and cash pool facilities at all times, therefore, as far as a credit risk exists in respect of lending to these companies, the credit rating of the (listed) HeidelbergCement Group is the one that should be considered. The notes issued and the corresponding loans lent out by the Company are unconditionally and irrevocably guaranteed by HeidelbergCement AG. Other loans receivable are financed by the long-term loan facility 4bn EUR due 2101 of its sole shareholder HeidelbergCement Holding S.à r.l. or with the equity of the Company.

HeidelbergCement Finance Luxembourg S.A.

Future Outlook

For the year 2023, the principal activities of the company for financing group companies within the HeidelbergCement Group are expected to be at the same level as on December 31, 2022.

Branch

The Company has no branch.

Corporate Governance

The Company complies in all material respects with the Luxembourg Corporate Governance Code (www.bourse.lu/corporate-governance). The Company considers the 10 principles recommended by the Luxembourg Stock Exchange as guidance for its own corporate governance.

The Company's ambition for operational excellence is based on a solid foundation of commitment to lawful and ethical conduct. The HeidelbergCement Group's Code of Business Conduct which is part of the Groups's compliance programme describes the high ethical and legal standards which are binding for all HeidelbergCement employees (<https://www.heidelbergmaterials.com/en/governance-and-compliance>).

Organisation and Management

The Board of the Company is composed of four Directors, two of them non-executive. The daily business is under the responsibility of the Managing Director who reports to the Board of Directors.

As at 31 December 2022, the Company has one part-time employee (70% time) and one full-time employee.

Audit Committee, Internal Control, Risk Management and Financial Reporting Process

Following the entry into force of the Luxembourg Act of 23 July 2016 on the audit profession transposing European Directive 2014/56/EU and implementing European Regulation No. 537/2014, the Company created and established an audit committee (the "Audit Committee") to assist the Board in its responsibilities in the areas of financial reporting, internal controls and risk management. The Audit Committee is comprised at any time of two directors, all of whom are non-executive directors. The Company has implemented an internal control system. The effectiveness and reliability of the internal control system is continuously and periodically evaluated by the management of the Company. The Company is included in the centralized risk management system of the Group which is documented in

HeidelbergCement Finance Luxembourg S.A.

the HeidelbergCement Risk Management Guideline. The financial reporting process and the statutory annual accounts are audited annually by an external auditor.

Subsequent events.

There are no subsequent events to report after the balance sheet date.

HeidelbergCement Finance Luxembourg S.A.

Declaration of the Director responsible for financial reporting

To the best of my knowledge, the annual accounts are prepared in accordance with Luxembourg legal and regulatory requirements relating to the preparation of annual accounts give a true and fair view of the assets, liabilities, financial position and profit or loss of the issuer and that the management report includes a fair review of the development and performance of the business and the position of the issuer as at and for the period ended 31 December 2022, together with a description of the principal risks and uncertainties that the issuer faces.

HeidelbergCement Finance Luxembourg S.A.

Audit report

To the Shareholder of
HeidelbergCement Finance Luxembourg S.A.

Report on the audit of the annual accounts

Our opinion

In our opinion, the accompanying annual accounts give a true and fair view of the financial position of HeidelbergCement Finance Luxembourg S.A. (the "Company") as at 31 December 2022, and of the results of its operations for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts.

Our opinion is consistent with our additional report to the Audit Committee or equivalent.

What we have audited

The Company's annual accounts comprise:

- the balance sheet as at 31 December 2022;
 - the profit and loss account for the year then ended;
 - the cashflow statement for the year then ended; and
 - the notes to the annual accounts, which include a summary of significant accounting policies.
-

Basis for opinion

We conducted our audit in accordance with the EU Regulation No 537/2014, the Law of 23 July 2016 on the audit profession (Law of 23 July 2016) and with International Standards on Auditing (ISAs) as adopted for Luxembourg by the "Commission de Surveillance du Secteur Financier" (CSSF). Our responsibilities under the EU Regulation No 537/2014, the Law of 23 July 2016 and ISAs as adopted for Luxembourg by the CSSF are further described in the "Responsibilities of the "Réviseur d'entreprises agréé" for the audit of the annual accounts" section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We are independent of the Company in accordance with the International Code of Ethics for Professional Accountants, including International Independence Standards, issued by the International Ethics Standards Board for Accountants (IESBA Code) as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the annual accounts. We have fulfilled our other ethical responsibilities under those ethical requirements.

To the best of our knowledge and belief, we declare that we have not provided non-audit services that are prohibited under Article 5(1) of the EU Regulation No 537/2014.

The non-audit services that we have provided to the Company and its controlled undertakings, if applicable, for the year then ended, are disclosed in Note 19 to the annual accounts.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the annual accounts of the current period. These matters were addressed in the context of our audit of the annual accounts as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter
<p><i>Recoverability of loans to affiliated undertakings and amounts owed by affiliated undertakings</i></p> <p>Loans to affiliated undertakings (financial assets) and amounts owed by affiliated undertakings amount to 6,204 million EUR or 99.70% of the total assets of the Company at year-end.</p> <p>As described in Note 2 to the annual accounts, the financial assets are valued at nominal value including expenses incidental thereto and value adjustments are made in case of durable depreciation in value. The debtors are valued at their nominal value, and value adjustments are made where their recovery is compromised.</p> <p>Management performed a recoverability analysis to assess whether the recoverable amount of each of those loans to affiliated undertakings and amounts owed by affiliated undertakings are at least equal to their respective carrying value. Recoverable amounts are usually determined through discounted cash flow (DCF) or EBITDA (Earning Before Interests, Tax, Depreciation and Amortisation) multiples models.</p>	<p>With respect to the recoverability of loans to affiliated undertakings and amounts owed by affiliated undertakings, our procedures included, but were not limited to, the following:</p> <p>We obtained an understanding of and evaluated Management's process and controls related to the identification of value adjustments and to the evolution of the key assumptions in the valuation models used.</p> <p>We obtained the comfort letter issued by HeidelbergCement AG and compared the total exposure of each counterparty to amounts covered by counterparty as per the comfort letter. We considered the financial capability of HeidelbergCement AG to reimburse those loans covered by the comfort letter by inspecting its audited consolidated financial statements at year-end and external agencies ratings.</p> <p>Where a discounted cash flow model is used:</p> <ul style="list-style-type: none"> • We obtained Management's valuation model containing the relevant cash flows and discount rates applied; • We tested the mathematical accuracy of the model; • We challenged the reliability of cash flows forecasts by backtesting those forecasts to actuals; • We evaluated the reasonableness of the key valuation inputs, including discount rates and long-term growth rates used, against independent data; • We involved internal valuation specialists when necessary.

In addition, some counterparty's balances are secured by the comfort letter issued by HeidelbergCement AG (the "comfort letter") - for these secured counterparty balances, Management performed no further recoverability analysis.

This matter was of particular significance to our audit as Management's assessment of the recoverable amount required estimation and judgment such as the determination of future expected cash flows, discount rates and other key factors but also due to the importance of those balances at year-end.

Where a multiple-to-EBITDA model is used:

- We obtained Management's valuation model containing EBITDA, trading multiples for listed comparable companies and the multiples used to value the loans;
- We tested the mathematical accuracy of the model;
- We agreed the EBITDA used in the computation to the EBITDA audited at year-end in the context of the group audit of HeidelbergCement AG;
- We assessed trading multiples for the comparable companies identified by Management and compared them to the multiples used in the valuation. We also considered whether any other traded companies may be comparable and considered the impact of their inclusion in the sourced trading multiples on the valuation, where and if considered appropriate;
- We involved internal valuation specialists when necessary.

We considered the appropriateness of the disclosures in Notes 3 and 4 to the annual accounts.

Other information

The Board of Directors is responsible for the other information. The other information comprises the information stated in the annual report including the Management Report of the Board of Directors and the Corporate Governance Statement but does not include the annual accounts and our audit report thereon.

Our opinion on the annual accounts does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the annual accounts, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the annual accounts or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Board of Directors and those charged with governance for the annual accounts

The Board of Directors is responsible for the preparation and fair presentation of the annual accounts in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts, and for such internal control as the Board of Directors determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

The Board of Directors is responsible for presenting the annual accounts in compliance with the requirements set out in the Delegated Regulation 2019/815 on European Single Electronic Format ("ESEF Regulation").

Responsibilities of the "Réviseur d'entreprises agréé" for the audit of the annual accounts

The objectives of our audit are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the EU Regulation No 537/2014, the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

As part of an audit in accordance with the EU Regulation No 537/2014, the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors;
- conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit report to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern;

- evaluate the overall presentation, structure and content of the annual accounts, including the disclosures, and whether the annual accounts represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate to them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the annual accounts of the current period and are therefore the key audit matters. We describe these matters in our audit report unless law or regulation precludes public disclosure about the matter.

We assess whether the annual accounts have been prepared, in all material respects, in compliance with the requirements laid down in the ESEF Regulation.

Report on other legal and regulatory requirements

The Management Report of the Board of Directors is consistent with the annual accounts and has been prepared in accordance with applicable legal requirements.

The Corporate Governance Statement is included in the Management Report of the Board of Directors. The information required by Article 68ter Paragraph (1) Letters c) and d) of the Law of 19 December 2002 on the commercial and companies register and on the accounting records and annual accounts of

undertakings, as amended, is consistent with the annual accounts and has been prepared in accordance with applicable legal requirements.

We have been appointed as "Réviseur d'Entreprises Agréé" by the General Meeting of the Shareholders on 15 April 2022 and the duration of our uninterrupted engagement, including previous renewals and reappointments, is 1 year.

We have checked the compliance of the annual accounts of the Company as at 31 December 2022 with relevant statutory requirements set out in the ESEF Regulation that are applicable to annual accounts.

For the Company it relates to the requirement that annual accounts are prepared in a valid XHTML format.

In our opinion, the annual accounts of the Company as at 31 December 2022, identified as HeidelbergFinLux_31.12.2022_ESEF_file, have been prepared, in all material respects, in compliance with the requirements laid down in the ESEF Regulation.

1 General information

HeidelbergCement Finance Luxembourg S.A. (hereafter the "Company") was incorporated on 24 July 1992 for an unlimited period and organised under the laws of Luxembourg as a Société anonyme (public limited liability company). On 20 March 2012, the name and the legal form of the Company have been changed from St. Yvette S.à r.l. to HeidelbergCement Finance Luxembourg S.A.

The sole shareholder of the Company is HeidelbergCement Holding S.à r.l..

The registered office of the Company is established in Luxembourg 5, rue des Primeurs, L-2361 Strassen. The Company number with the Registre de Commerce is B 40 962. The financial year of the Company starts on 1 January and ends on 31 December.

The Company's objects and purposes are:

a) the acquisition of participations, in Luxembourg or abroad, in any company or enterprise in any form whatsoever, and the management of those participations as well as the supervision of the businesses of the participations. The Company may in particular acquire, by subscription, purchase and exchange or in any other manner, any stock, shares and other participation securities, bonds, debentures, certificates of deposit and other debt instruments and, more generally, any securities and financial instruments issued by any public or private entity. It may participate in the creation, development, management and control of any company or enterprise. Further, it may invest in the acquisition and management of a portfolio of patents or other intellectual property rights of any nature or origin.

b) to borrow in any form whatsoever. It may issue notes, bonds and any kind of debt and equity securities. It may raise and lend funds, including, without limitation, the proceeds of any borrowings, to its subsidiaries, affiliated companies and any other companies and finance businesses and companies. It may also give guarantees and pledge, transfer, encumber or otherwise create and grant security over some or all of its assets to guarantee its own obligations, the obligations of any affiliated group companies or those of any other company in which it has a direct or indirect interest. The Company may enter into agreements in connection with the aforementioned activities.

c) to use any techniques, legal means and instruments to manage its investments efficiently and protect itself against credit risks, currency exchange exposure, interest rate risks and other risks.

d) to carry out any commercial, financial or industrial operation and any transaction with respect to real estate or movable property, which directly or indirectly, favours or relates to its corporate object at the exclusion of any banking activity and any other regulated financial activity.

For the avoidance of doubt, the Company may not carry out any regulated financial sector activities without having obtained the requisite authorisation.

The Company is included in the consolidated accounts of HeidelbergCement AG. The registered office of that company is located at 6 Berliner Strasse, 69120 Heidelberg, Germany. The consolidated accounts are published in the Group's website (<https://www.heidelbergcement.com/en/reports-and-presentations>) and in German Federal Gazette (Bundesanzeiger, <https://www.bundesanzeiger.de/ebanzwww/wexsservlet>).

2 Summary of significant accounting policies

Basis of preparation

The annual accounts of the Company are prepared in accordance with Luxembourg legal and regulatory requirements under the historical cost convention.

Accounting policies and valuation rules are, besides the ones laid down by the law of 19 December 2002, determined and applied by the Board of Directors.

The preparation of annual accounts requires the use of certain critical accounting estimates. It also requires the Board of Directors to exercise their judgment in the process of applying the accounting policies. Changes in assumptions may have a significant impact on the annual accounts in the period in which the assumptions changed. Management believes that the underlying assumptions are appropriate and that the annual accounts therefore present the financial position and results fairly.

The Company makes estimates and assumptions that affect the reported amounts of assets and liabilities in the next financial year. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Within the scope of the law of 11 January 2008 on transparency requirements for issuers (the "Transparency Law"), and as part of the controls thereof applied by the Commission de Surveillance du Secteur Financier as supervisor authority, these annual accounts include a cash flow statement, that is prepared based on the following principles:

The statement of cash flow shows how cash and cash equivalents have changed in the course of the year as a result of inflows and outflows of funds.

The Company presents its cash flows using the indirect method. The indirect method adjusts accrual basis net profit or loss for the effects of non-cash transactions. Differentiation is made between cash flows from operating activities, from investing activities and from financing activities. Cash flow from operating activities is the cash and cash equivalents raised as a result of the main revenue-producing activities of the Company that are not investing or financing activities, so operating cash flows include cash received from customers and cash paid to suppliers and employees. It is determined on the basis of net profit. As part of the indirect determination of cash flow, the changes in balance sheet items due to operating activities were applied where necessary. Cash flow from investing activities is the cash and cash equivalents raised as a result of acquisition and disposal of long-term assets and other investments that are not considered to be cash equivalents. Cash flow from financing activities is the cash and cash equivalents raised as a result of activities that alter the equity capital and borrowing structure of the Company.

Interest and dividends received and paid are classified as financing cash flows consistently from period to period.

Cash and cash equivalents with a term to maturity of not more than three months are recorded under cash and cash equivalents. Cash equivalents are short-term financial assets which can be converted into cash at any time and which are only subject to minor value fluctuation risks.

The main valuation rules applied by the Company are:

Financial assets

Long term loans are valued at nominal value including the expenses incidental thereto.

In case of a durable depreciation in market value according to the opinion of the Board of Directors, value adjustments are made in respect of fixed assets, so that they are valued at the lower figure to be attributed to them at the balance sheet date. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

Debtors

Debtors are valued at their nominal value. They are subject to value adjustments where their recovery is compromised. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

Cash at bank and in hand

Cash and deposits are valued at their nominal value.

Prepayments

This asset item includes upfront costs and discounts incurred during the issuance of the bonds which are capitalized and amortized over the lifetime of each corresponding bond.

Provisions

Provisions are intended to cover losses or debts of which the nature is clearly defined and which, at the date of the balance sheet, are either likely to be incurred or certain to be incurred but uncertain as to their amount or as to the date on which they will arise.

Provisions may also be created in order to cover charges which have their origin in the financial year under review or in a previous financial year, the nature of which is clearly defined and which at the date of the balance sheet are either likely to be incurred or certain to be incurred but uncertain as to their amount or as to the date on which they will arise.

2 Summary of significant accounting policies (continued)

Debts

Debts are recorded at their reimbursement value. Where the amount repayable on account is greater than the amount received, the difference is shown as an asset and is written off over the period of the debt based on a linear method.

Deferred income

This liability item includes income received during the financial year but relating to a subsequent financial year.

Value adjustments

Value adjustments are deducted directly from the related assets.

Derivative financial instruments

The Company may enter into derivative financial instruments such as options, swaps, futures or foreign exchange contracts. These derivative financial instruments are initially recorded at cost.

Historical cost model:

At each balance sheet date, unrealized losses are recognized in the profit and loss account whereas gains are accounted for when realized. In the case of hedging of an asset or a liability that is not recorded at fair value, unrealized gains or losses are deferred until the recognition of the realized gains or losses on the hedged item.

Commitments relating to options/swaps/futures/foreign exchange contracts transactions are disclosed in the notes.

Foreign currency translation

The Company maintains its accounts in Euro ("EUR"). Transactions expressed in currencies other than EUR (or other currency) are translated into EUR at the exchange rate effective at the time of the transaction.

Formation expenses and fixed assets expressed in currencies other than EUR are translated into EUR at the exchange rate effective at the time of the transaction. At the balance sheet date, these assets remain translated at historical exchange rates.

Cash at bank is translated at the exchange rate effective at the balance sheet date. Exchange losses and gains are recorded in the profit and loss account of the year.

Other assets and liabilities are translated separately respectively at the lower or at the higher of the value converted at the historical exchange rate or the value determined on the basis of the exchange rates effective at the balance sheet date. The unrealised exchange losses are recorded in the profit and loss account. The realised exchange gains are recorded in the profit and loss account at the moment of their realisation. Consequently, only realised exchange gains and losses and unrealised exchange losses are reflected in the profit and loss account.

Where there is an economic link between an asset and a liability (back-to-back loans), these are valued in total according to the method described above and only the net unrealised losses are recorded in the profit and loss account whereas the net unrealized gains are not recognised. This is applicable when the Company is hedging assets and liabilities in the same foreign currency and when those assets and liabilities have the same characteristics (amount, maturity).

3 Financial fixed assets

Financial fixed assets held at cost less impairment - movements gross book value	Gross book value 1 Jan 2022	Additions	Reimbursements	Transfers	Gross book value 31 Dec 2022
Loans to affiliated undertakings	5.000.000.000,00	905.314.998,44	-	(350.000.000,00)	5.555.314.998,44

* In local currency

** The credit facility agreement granted to Ceskomoravsky Cement on 8 July 2014 with initial maturity date 8 July 2022 was extended for an additional 6 years until 10 July 2028.

*** The loan granted to Lehigh Hanson Inc. on 9 August 2018 with initial maturity date 9 August 2022 was extended for an additional 2 years until 9 August 2024.

Recoverability of several loans is partially covered by a comfort letter issued by the ultimate parent Company (HeidelbergCement AG).

For the valuation of investments held as of 31 December 2022, the management believes that the fair value of each investment exceeds its book value and therefore, no impairment has been recorded.

Subscribed capital

The subscribed capital of the Company amounts to EUR 26.635.550,00 and is divided into 2.663.555 shares with a nominal value of EUR 10,00 each, issued and fully paid up as at 31 December 2022.

Legal reserve

Luxembourg companies are required to allocate to a legal reserve a minimum of 5% of the annual net income, until this reserve equals 10% of the subscribed share capital. This reserve may not be distributed.

6 Capital and reserves (continued)

Other reserves

As from the financial year 2003, the Company reduced the net wealth tax liability in accordance with paragraph 8a of the Net wealth tax law. In order to comply with the law, the Company decided to allocate to the non-distributable Reserve for net wealth tax (under "Other reserves") an amount that corresponds to five times the amount of reduction of the net wealth tax charge. This reserve is non-distributable for a period of five years following the one during which the net wealth tax was reduced.

Interim dividends

The Company declared and paid an interim dividend on 13 December 2022 amounting to EUR 50,000,000.00 on the basis of interim accounts as at 30 November 2022.

Total	5.767.958,39	6.964.703,97

*This item represents amortization expenses during the year for the upfront costs and discounts on bonds. The amounts not amortized as of 31 December 2022 are presented in Note 5 above.

12 Staff

As at 31 December 2022, the Company has one part-time employee (70% time) and one full-time employee.

13 Income from other investments and loans forming part of the fixed assets

Income from other investments and loans forming part of the fixed assets represent interest income on the loans granted to Group companies as described in notes 3 and 4 above.

In 2022 the Company netted interest income and interest expense for total amounts of USD 56.385.780,78 and CZK 109.778.500,00 between the loans receivables respectively from Lehigh Hanson Inc. and Ceskomoravsky Cement, and the payable obligations to HeidelbergCement AG under the derivative instruments to hedge the FX exposure.

14 Off balance sheet commitments and transactions

The Company has the following off balance sheet commitments as of 31 December 2022:

The Company subleases office space to HeidelbergCement Holding S.à r.l. which is the original Lessee of the occupied office premises. According to the Lease Agreement, HeidelbergCement Holding S.à r.l. has provided a bank guarantee in favour of the Lessor for a value equal to 3 months of rent.

The Lease Agreement was entered into for a term of 9 consecutive years, with expiry term on 31 May 2029, however the Lease can be terminated at the end of the 3rd and 6th year according to terms of the contract.

The Company entered into derivative financial instruments with HeidelbergCement AG in order to hedge interest rate and foreign currency risks. Please see note 18.

The Company pays guarantee fees to HeidelbergCement AG to act as guarantor of the Bond notes issued by the Company. The annual guarantee fees are calculated at 0,4% of the nominal amount of the corresponding Bond.

15 Related party transactions

There were no direct nor indirect transactions with main shareholders and members of its administrative, management and supervisory bodies that would be material and not concluded under normal market conditions.

16 Advances and loans granted to the members of the managing and supervisory bodies

There were no advances, loans or commitments given on their behalf by way of guarantee of any kind granted to the members of the management and supervisory bodies during the financial year (2021: nil).

17 Taxation

The other taxes not shown under items 1 to 16 of the Profit and Loss Account refer to a net wealth tax expense for the current year of EUR 165.820,00.

The Company is part of a tax unity group formed at the level of its sole shareholder, HeidelbergCement Holding S.à r.l., which is the head of the tax unity group.

18 Derivative Financial instruments

As at 31 December 2022, derivative financial instruments are exclusively held for hedging purposes.

Interest rate and foreign currency risks are hedged through the use of derivative financial instruments. As far as the legal requirements are met, these are shown as a valuation unit.

1. Interest rate swaps

The Company uses interest rate swaps to hedge against interest rate risks.

As of the balance sheet date, the following interest rate swaps exist:

Type	Nominal value	terms from...	terms to...	Interest rate paid	Interest rate received	MM
IRS	750.000.000 €	01/07/2019	01/12/2027	6M Euribor +1,0615%	1,125%	-108.472.622 €

2. Foreign currency hedges

The Company uses cross currency swaps/forwards/swaps to hedge against foreign currency risks.

As of the balance sheet date, the following currency swaps/forwards/swaps exist:

Type	Nominal value	currency	terms from...	terms to...	MM
CCS	-868.621.125 USD	852.399.626 €	09/08/2022	09/08/2024	37.534.990 €
CCS	-852.750.000 USD	750.000.000 €	01/07/2019	01/12/2027	-57.766.907 €
FX-SWAP	-1.300.000.000 CZK	52.915.372 €	11/10/2022	11/01/2023	-1.497.926 €
FX-FWD	-32.424.889 CZK	1.304.321 €	11/10/2022	11/01/2023	-35.409 €

Fair values have been obtained based on net present values and the corresponding Bloomberg™ / Treasury system Coupa (formerly Bellin) tm5™ functions.

19 External audit fees

As of 31 December 2022 and 31 December 2021 audit fees are related to the following services:

Auditing costs	2022	2021
Audit fees *	64.681,65	75.715,41
Audit related fees **	21.996,25	21.012,00
Total	86.677,90	96.727,41

* Audit fees are related to audit of the Statutory Annual Accounts.

** Audit related fees are related to interim dividend distribution and EMTN comfort letter issuance.

20 Subsequent events

There are no subsequent events to report after the balance sheet date.
